LEGACY OF PROGRESS AND LEADERSHIP

We look back on the success and accomplishments of our legacy of sustainable development with great pride, yet we recognize that we can go further, do even better, and make an even stronger impact. We launched our first formal sustainability plan in 2010, called Sustainability 2015, which grew into our next commitment, Sustainability 2020. The results of our sustainable efforts have led to significant tangible progress:

OUR SUSTAINABILITY 2020 RESULTS

EMBARCKING ON THE NEXT 10 YEARS OF OUR SUSTAINABLE DEVELOPMENT JOURNEY

Through Reimagine 2030, we are prioritizing the environment and our social impact to make everyday life more comfortable. Our mission will guide us to make the right decisions for our employees, consumers, customers and communities as we continue to grow and evolve over the next decade.

We're reimagining the future entirely and building our path to get there through Reimagine 2030.

THROUGH RELENTLESS INNOVATION, WE ARE REIMAGINING A FUTURE THAT ENCOMPASSES AN EVEN MORE ENGAGED WORKFORCE, STRONGER COMMUNITIES AND RESILIENT ECOSYSTEMS.
